

MASONIC LICENSE PLATE
SPECIAL NUMBER REQUEST FORM AND INSTRUCTIONS

You must first fill out the Masonic License Plate Application and attach a non-dated check for \$40.00.

If you would like to select your own number, you will need this second form and separate check. The check should be made payable to the Grand Lodge of Masons in MA, for the appropriate amount and mailed to the Grand Secretary (refer to original application for address). The application should accompany the Masonic License Plate Application and check. If you have already sent in a Masonic License Plate Application then send in the special number request form and check the box noting so below.

You may select up to five numbers in order of preference. Plates will be assigned on a first come first serve basis as determined by date received at Grand Lodge.

Numbers 16-100 will require a one-time check for \$300.00 (in addition to your separate \$40.00 check).

Numbers 101-1500 will require a one-time check for \$150.00 (in addition to your separate \$40.00 check).

All numbers between 16-1500 not sold at a premium will be assigned on a first come first serve basis (the earlier you send in your application the lower the number you will get).

You may also make a special request for a number between 1500-9999. Be advised we only have 10 such selections available.
