## **Incllement Weather**

There are two possible scenarios:

1. Since we will have **GATOR PIT** tickets the gates will open and the buffet will be served while we determine the status of the game. This is, by far, the most likely scenario. The Spinners always do our best to play the games. If your buffet is served but the game is not completed (4 1/2 innings) the Lowell Spinners will work with us to reschedule our group for another game. However, the buffet will not be rescheduled since it occurred.
2. The game is a complete washout and the gates are never opened, the Lowell Spinners will contact us for a date to reschedule.

**Please note that there will be no refunds for tickets not used and we are unable to accept returned tickets**

## **Parking**

Parking for Lowell Spinners games and events at LeLacheur Park is not controlled by the Spinners organization. All parking is controlled by UMass Lowell. Parking is available on game days and LeLacheur Park events in the surrounding lots (The UMass Lowell Parking Garage and the other UMass Lowell lots) for a \$5 fee. Limited street parking is also available.

## **Fireworks**

What better way to end a baseball game than FIREWORKS! The Spinners have a special post-game Fireworks shows and want you to be a part of the experience!
